How to Read the 2026 Q1 Menu Report

Overview: Each of Chicago's 50 wards receives an annual allotment of \$1.5 million in capital bond funds to use for various infrastructure projects. This report outlines, by ward, which projects the Aldermen have selected through the first three months of 2026.

Structure: The report typically has 50 sections, one for each ward. If an Alderperson has yet to allocate 2026 menu funds to any projects, that ward's section will be omitted from this quarter's report. Beginning with the First Ward, you will see a list of projects along with their locations and estimated cost. The lefthand column describes what the project is, followed by its location in the center, and its estimated cost on the right. Some projects show a \$0 total cost. These projects are supplemental to menu work and do not count against the aldermanic menu balance.

At the bottom of each ward's section, you will find the financial summary. This summary, outlined in bold, shows the ward's 2026 menu starting balance (\$1.5 million for a calendar year), followed by the sum of the estimated costs for projects they have selected so far in 2026, and finally how much they have remaining to commit in 2026 menu funds to future projects. A summary of each ward's starting balance, commitments, and remaining balance, along with uncommitted funds carried over from prior years, can be found on the Ward Balance Summary on page III and IV.

Ward Balance Summary

Ward	2026 Budget	2026 Committed	2026 Balance	Prior Years Carryover	Cumulative Balance
1	\$1,500,000	\$39,073	\$1,460,927	\$0	\$1,460,927
